An Impressive Place To Make An Impression

Shaw Centre is Canada's Meeting Place, a spectacular convention facility recently ranked in the top 3 in the world by the International Association of Congress Centres. It is a venue renowned for its

magnificent design and setting, for its premium field-to-table and organic food service, its commitment to sustainability, and its focus on delivering unparalleled service and experiences.

Make An Impression With Important People

Each year Shaw Centre hosts prestigious national and international gatherings, conferences, corporate events, trade shows and celebrations. Events of note hosted since the Centre opened in 2011 include the national conventions of all three main federal political parties, NHL All Star Fanfair, GTEC, Tamarack Ottawa Race Weekend, Grey Cup Festival,

46th annual JUNO Gala Dinner & Awards, the Ottawa-Gatineau International Auto Show and SaaS North 2017. These kinds of events and others together attract hundreds of thousands of influential and affluent people to the venue each year—and the Centre offers advertisers a range of flexible ways to reach, influence and interact with them while they're here.
